

Licensed Referee Assignors by MAYSA Club

Fall 2010

A licensed referee assignor must assign referees to all MAYSA games, including all U9-U14 “recreational” league games. See the list below.

To preserve the liability insurance protection for referees certified by the United States Soccer Federation, referees may only work games assigned to them by a USSF-licensed assignor.

Classic and State League Game Assignments

The MAYSA Assignor assigns referees to high school small sided, classic and state leagues, published via The Arbitrator website.

Recreational League Game Assignments

Each MAYSA club now has a licensed referee assignor who is available to referees, coaches and managers to make and revise recreational game assignments.

Licensed Referee Assignors, Madison Area Youth Soccer Association Service Area, Fall 2010
